

Parking Guidelines

When parking in the front of the school:

- Please respect the “Carpool”, “Stork”, and “Handicap” parking spots.
- DO NOT park in front of the trash bins—under ANY circumstances.
- DO NOT park in the driveway of the house at the bottom of our driveway (Mrs. Proctor’s house), or in the spot adjacent to her driveway. Do not block her driveway.
- DO NOT turn around in Mrs. Proctor’s driveway.
- DO NOT back down our driveway onto Fort Hunt Road; it is very dangerous.
- The driveway is a FIRE LANE. Parking along the left hand side of the driveway is allowed for 5 minutes during drop-off and pick-up. If you plan to stay longer, please park on Tauxemont Road (behind the school) or on Paul Spring Road (across Fort Hunt Road). This pipe stem area of the driveway needs to be kept clear in order for the school to satisfy regulations relating to emergency vehicle access.

When parking in the back of the school (on Tauxemont Road):

- Please be careful not to block driveways or mailboxes. To the extent possible, please park so that car wheels are completely removed from the asphalt.
- In particular, please do not park in front of the house immediately to the left of the path to the school.
- Parking is only permitted on the curb-side/outside of the bend.
